BODHI

VS

Dalton

By Pete Buk

Supervised by a drunken Busher

Career

Dalton: Head bouncer at the most fist fightin', bottle throwin', redneck bar known as The Double Ducee.

Bodhi: Bank robbing soul searching wave shredder.

Winner: Bodhi's only had to work 27 days in three years, you do the math.

Ride

Dalton: Big ballin' Benz and decoy hoopy ride.

Bodhi: Stolen get away cars, surf boards and parachutes.

Winner: Bodhi only robs banks to show those people driving down the road in their metal coffins that the human spirit is still alive. He's too rad to have a ride he didn't steal.

Posse

Dalton: Bar weathered bad ass Wade Garret (Sam Elliott) and some crusty old timers.

Bodhi: Three fellow soul searching wave riders seeking the ultimate rush, Roach, Nathaniel, and

Grommet; and Rosey, a psycho greasy biker who does all of the shitty work (ie- start the fires and hold people hostage).

Winner: This one's too close to call. Dalton hangs out with Sam Elliot, but Bodhi kicks it with a bunch of surfers who wear president masks and robe banks.

Enemies

Dalton: Brad Wesly and his crew of inbred retards who roll touch in a monster truck.

Winner: Hell knows no furry greater than the likes of Special Agents Johnny Utah and Angelo Pappas.

Bodhi: The F.B.I bank robbery division, especially special agent Johnny Utah (Keanu Reeves) and the infamous agent Angelo Pappas (Gary Busey).

Chics

Dalton: Blonde doctor babe, but turns down all the trashy women who want to teach him some horizontal Dirty Dancing moves.

Bodhi: He gets them all, but none of them can hold him down; he's a soul

searcher for god's sake.

Winner: Bodhi's got ladies in every surf spot around the world.

Hair

Dalton: Late 80's power mullet, you do not want to get your ass kicked by a guy rockin' this hair cut.

Bodhi: Long flowing surf locks. You could only wish for hair this beautiful. He cut it short for the 50 year storm, can't have that shit hanging in your face when you're catching the ultimate tube.

Winner: Dalton, a mullet- nuff said.

Toughness

Dalton: 31 broken bones, nine punctures, two bullet wounds, four screws, nine staples and stitches he put in himself. Oh yeah, he can rip out your throat with his bare hands and he's a bad ass karate fighter.

Bodhi: He beat the hell out of Bunker, Warchild and Tone in a beach brawl. He also threw down with special agent Utah on the shores of Bells Beach during the 50 year storm.

Winner: Dalton's given himself

stitches.

Quote

Dalton: Dalton, even though he has a degree in philosophy, he still has nothing good to say at all!

Bodhi: If you want the ultimate, you to be willing to pay the ultimate price... It's not tragic to die doing something you love.

Winner: Bodhi has the best quotes ever in one movie. There are far to many to list.

Hobbies

Dalton: Oiled up Tia Chi by the lake and philosophy... pretty lame.

Bodhi: Anything extreme and finding the spiritual side of everything.

Winner: Some people jab a vein for it, but all you have to do is jump. Bodhi's life is 100% pure adrenaline.

The Bigger Bad Ass: Come on, is there any question? Bodhi is probably the biggest bad ass of all time. He robs banks, surfs, and in the end gets to go out in a wave of glory.
